Registration 2025-2026 School Year

We appreciate your interest in Bensalem Christian Day School and hope that you will be pleased with the developmentally appropriate Christian program we have created to meet the needs of the community and your child.

Special programs such as music, visits from firemen, and a librarian to name a few, provide enrichment activities for the school. All classes go on field trips to local points of interest to broaden their experiences. Parents provide transportation for our trips. The cost of trips and special programs for your child is included in your activity fee.

Bensalem Christian Day School values the communication between parent and staff. Our shared goal is to provide the best possible experience for your child and to help foster good self-esteem, self-confidence and individuality. Our aim for your child is to feel good about school through play and a variety of learning experiences. We encourage you to share your comments and questions because communication and exchange of ideas is very important to our program.

Please keep in mind that *all of our staff are both qualified and caring* individuals. We will not be taking any special request for a particular teacher. Thank you in advance for your understanding.

We look forward to having you join our happy, caring "family" At Bensalem Christian Day School.

Sincerely,

Lisa A. Woods
Day School Director
